WHAT IS HARVARD HEROES?

Harvard staff members, often working behind the scenes, contribute vitally to Harvard’s excellence. Staff contributions include building and maintaining the vast technical, financial, physical, and human infrastructure upon which the academic enterprise relies. Harvard Heroes is an annual program that recognizes and celebrates high-performing staff from across every school and the Central Administration. These staff members have been nominated and/or selected by their peers and departments for work that supports the mission of Harvard at the highest levels of contribution, impact and excellence by going above and beyond.

The Harvard Heroes program goes back more than 20 years, when it was introduced within the Vice President of Administration (now Campus Services) area to recognize the contributions of high-performing staff there. In 2012, Harvard Heroes became a University-wide program. Each year, the program is reviewed to ensure it reflects the dynamic needs and goals of the University. For example in 2014, Harvard Heroes began recognizing individual staff members for excellence in sustainability and last year, exemplifying the value of “One Harvard” was added to the nomination criteria (see below for the complete list).

Following the nomination and selection process in February and March, University leaders, colleagues, friends, and family will join in celebrating those named as Harvard Heroes at 3:30 p.m. on June 6, 2016 at Sanders Theatre. All are invited to the ceremony (no tickets are needed) and the reception that follows in Annenberg Hall.

Hosted by the President and the Vice President of Human Resources, we will recognize our Harvard Heroes again for their leadership, teamwork, adaptability, and exceptional contributions.

**WHEN WILL WINNERS BE ANNOUNCED?**

Harvard Heroes for 2016 will be announced in April.

**HOW MANY HARVARD HEROES WILL THERE BE IN 2016?**
