Harvard offers competitive base pay and several forms of income protection while you are working and when you retire, including a best-in-class University-funded retirement plan.

HEALTH AND WELLNESS
The University offers comprehensive medical and dental coverage for you and your family, and much more. Our highly-subsidized health and welfare benefits reflect an approach built around people, with a deep respect for their differences and needs. For instance, Harvard offers benefits starting at 17.5 hours per week or $15,000 per year in a benefits-eligible position.

GROWTH, LEARNING AND DEVELOPMENT
While everyone who comes to work at Harvard has their own motivations, most would tell you it has to do with the opportunity to grow and excel. Harvard today is focused on helping its employees become “future-ready”—technologically literate, open to a global perspective and ready to support and advance the University’s evolving mission. Harvard encourages lifelong learning, and our Tuition Assistance/Tuition Reimbursement Plan can help finance courses at Harvard or other institutions.

Through the Center for Workplace Development, Harvard offers abundant employer-paid learning and skill-building opportunities, both in-person and online.

QUALITY OF LIFE
Harvard provides resources to help you balance work and life, including generous time off, an employee assistance program and access to Harvard’s athletic facilities and recreation programs.

The University’s beautiful, historic campus offers a vibrant and exciting work environment. Your Harvard ID provides access to our world-renowned libraries and museums, as well as discounts at recreational and cultural activities in the Cambridge/Boston area.

Harvard’s people are united by a culture dedicated to excellence, and are more diverse in age, race, ethnicity, nationality, experience and outlook than you would find almost anywhere else. It is the connection with these people—our faculty, staff and students—that makes working at Harvard richly satisfying.

Harvard University is a center of intellectual activity, research, knowledge creation, learning and teaching.
For many people, a compelling aspect of working at Harvard is the sense of mission that permeates every organization on campus. At the same time, Harvard recognizes that compensation is a critical part of your employment experience. The breadth and depth of its total compensation package sets the University apart.

WHAT IS TOTAL COMPENSATION AT HARVARD?
Total compensation is the pay, benefits, work/life supports and educational opportunities provided by Harvard in exchange for your time, talent, effort and engagement.

TOTAL COMPENSATION SUMMARY
FOR SUPPORT STAFF

Establish your EXCELLENCE, build your VALUE, realize your REWARDS. Make it your Harvard.
### Compensations and Income Protection

Harvard's salary levels lead the higher education market and are competitive with local general industry.

Support staff who are members of the Harvard Union of Clerical and Technical Workers (HUCTW) receive "structure" and "progression" increases to pay as negotiated between Harvard University and the HUCTW.

There is a small number of non-bargaining unit support staff. This group is generally eligible for merit pay. While increase amounts are not guaranteed, they are reviewed for equity with other employee groups.

### Income Protection

Harvard offers a range of benefits to help you protect your income and financial assets.

**Short Term Disability (STD)**

Provided by Harvard at no cost, the STD program provides up to 26 weeks of coverage at 70%–100% of pay for eligible staff who are unable to perform job duties due to injury or illness. STD covers eight weeks of paid maternity leave for birth mothers.

**Long Term Disability (LTD)**

This optional, contributory program pays 60% of your pre-disability salary tax free, if you are unable to work for more than 180 days due to an illness or injury, thus helping you to meet your financial commitments in a time of need. Eligibility for medical, dental, vision and life insurance through Harvard continues, and you continue to accrue service and receive retirement contributions.

**Life Insurance**

Harvard pays the full cost of basic life insurance equal to one-half of your base salary including an accelerated life insurance benefit, as well as business travel insurance, to help your beneficiaries pay expenses if you become terminally ill or die. Additional coverage of up to 5x annual salary as well as life insurance for spouses/domestic partners and dependent children may be purchased at favorable rates.

**Incentive Programs**

Harvard contributes a percentage of eligible pay on an annual basis. Staff may choose between individual or family coverage from two HMO plans or two POS plans. Nonunion support staff have additional options: two POS Plus plans and two high-deductible health plans (HDHP). HDHP members may enroll in a pretax health savings account (HSA) to cover out-of-pocket costs.

**Dental**

Delta Dental, Harvard’s dental care provider, offers in-network and out-of-network coverage. Over 97% of Massachusetts dentists participate. The plan covers full coverage for preventive care and substantial coverage for other dental services including orthodontia for covered dependents under age 19.

**Health Flexible Spending Account (FSA)**

FSAs offer tax savings by allowing you to set aside money on a pretax basis (up to $2,650/year) to pay for out-of-pocket health expenses. Eligible expenses can include copayments for prescriptions and office visits, orthodontics, and out-of-network costs. Limited Purpose FSA is available for HDHP members.

**Reimbursement Programs**

Our unique reimbursement programs are one more way Harvard helps staff manage the financial impact of illness or medical care. Union staff can be reimbursed for copayments for prescriptions or in-network office visits, and in some cases hospital copayments, that exceed annual thresholds. Nonunion support staff have access to a separate reimbursement program for out-of-pocket, in-network costs within the HMO and POS plans.

### Retirement

In addition to Harvard’s contribution to Social Security on your behalf, generous benefits and financial education opportunities help you build long-term savings and a source of income after you retire.

**Defined Contribution Plan (2001 Staff Retirement Program)**

The full cost of the Plan is paid by Harvard. Participants are vested after three years of service. Each month, the University contributes a percentage of eligible pay based on age and earnings:

- For those under age 40, the University contributes an amount equal to 5% of eligible pay below the Social Security wage base ($128,400 in 2018) and 10% above the wage base.
- For those age 40 and over, the University contributes an amount equal to 10% of eligible pay below the Social Security wage base and 15% above the Social Security wage base.

**403(b) Tax-Deferred Account (TDA)**

You can supplement your Harvard retirement plan by contributing a portion of your eligible pay to a voluntary TDA on either a pre-tax basis (“Traditional option”) or after-taxes with the Roth option. Harvard offers a choice of low-cost investment funds through several top investment companies. New support staff will receive program details by mail from the Harvard University Retirement Center.

**Post Retirement Health Coverage**

At the time of retirement, Harvard provides a choice of retiree medical plan options as well as dental coverage for eligible staff and their spouses/registered domestic partners. You must meet certain age and service requirements to be eligible.
