**Important Enrollment Reminders**

**Meet the 30-day deadline.** As a new employee, you have 30 days from your date of hire to make your benefit elections.

**Submit your benefits.** By clicking *Update Elections* on each applicable benefit, you can save your elections and return to make changes within the 30-day window. However, your elections won’t be processed until you click *Submit* on the *Submit Benefits* page. If you save your elections, but don’t submit them, your elections won’t be processed.

**Enroll dependents in medical, dental, or vision care.** You must provide certified documentation to enroll your dependents in the medical, dental or vision care plan. If your documentation isn’t received by Benefits within 30 days from your date of hire, your dependents will be removed from the plans retroactive to your hire date.

**Remember: submitted benefits are final.** Once you’ve submitted your elections, they can’t be changed until the next Open Enrollment period unless you experience a qualifying change in your family or employee status.

**Do not use a mobile device to enroll:** Using your phone to enroll in benefits is not recommended due to the enrollment page layout. Instead, use your laptop or desktop.

### Obtaining login credentials

Before you can enroll in your benefits, you’ll need your Harvard University ID (HUID) and HarvardKey, the University’s unified login credential for online applications and services.

If you have not yet claimed your HarvardKey, simply visit key.harvard.edu and follow the prompts to **Claim your HarvardKey**. As part of the process, you’ll need to supply your HUID, last name, and date of birth. If you need help claiming your HarvardKey, please contact the Harvard University Information Technology support desk at 617-495-7777 or ithelp@harvard.edu. Please note: you will not be able to log onto PeopleSoft until your actual hire date.

SELECTING YOUR BENEFITS

1. Make your elections.

The main Benefits Enrollment page displays all of your benefit enrollment elections. If you have not yet made any selections, the default will be “No Coverage / Waive” and the total cost will be $0.00.

If you previously made elections but did not yet submit your benefits, these elections, along with their associated costs, will display as shown.

To make or change your election, simply click the Edit button next to the benefit you are electing.

If you’re receiving an automatic benefit (at no cost to you), you’ll see the details, but you won’t be able to make any changes.

Tip: Click the Enrollment Handbook link to review Harvard’s Benefits Enrollment Guide, which is also located on the HHR website at hr.harvard.edu.
2. Review benefit details.

Your default coverage is set to “waive,” so be sure to make an active election if you’d like medical coverage.

As shown in this example, you can click on any benefit type—in this case, medical—to review details and make your benefit election. Each election type includes pay-period costs for each coverage level.

To make your selection, simply click the radio button next to the plan name.

To learn more about a specific plan, simply click on the plan name.

Click **Update and Continue** to save your selection. Click **Cancel** to return to the main **Benefits Enrollment** page without saving.

- When your dependent(s) are added into the system, this page will display your dependents and allow you to add them to your medical, dental, and/or vision care plans.
- Any dependents for whom you’d like coverage must be added to your medical, dental and/or vision care plan. You may add them by placing a checkmark in the **Enroll** box next to their name. This must be done separately for each benefit they are being enrolled in (medical, dental, and/or vision care).
- If you make a mistake while adding a new dependent, please contact Harvard Benefits at 617-496-4001.

**Important:** Your dependents must be added to your medical, dental and/or vision care plan prior to submitting your elections.
