Game On!

Join us for a week of challenges, competition, and camaraderie as we explore board games, game shows, and games from around the world. Campers will put their mind and body to the test as they engage in the fun!

Some highlights include Minute to Win It challenges, Pictionary and a racing birds competition where teamwork and cooperation are a must! Learn about games from around the globe such as Pass the Parcel and Semut, Orang, Gajah. We will also dive into games that are played in many countries, like mancala and soccer.

In addition to planned group activities campers will have the opportunity to explore independently, complete projects and crafts and create meaningful friendships!
