Examples of ineligible expenses include: Teeth bleaching/whitening, cosmetic dental surgery, dental hygiene products (such as tooth paste), and expenses related to medical treatment and care.

* Although Over-The-Counter (OTC) dental and vision medicines and drugs do not need a prescription to purchase, one is needed for the item to be FSA eligible. NOTE: OTC dental and vision medicines and drugs will not work with the FlexExpress© debit card. You will need to pay with another means and submit for reimbursement through one of our manual reimbursement methods. Remember to submit the prescription, along with the purchase documentation.
The Limited Purpose FSA and Dependent Care Election Worksheets can help you determine how much to set aside in your FSA. You can also use the Tax Savings Calculator at benstrat.com.

**Important:** Make a conservative election, only considering expenses that are expected to be incurred by you and your FSA eligible dependents while you are enrolled during the FSA plan year.
