However, it is only a summary of your benefits. Please consult your *Benefit Handbook* and *Prescription Drug Brochure* (if you have the Plan's prescription coverage) for detailed information on the benefits covered by the Plan and the terms and conditions of coverage.

Please note that the information on Medicare benefits in this document is provided for informational purposes only. HPHC Insurance Company, Inc. (HPIC) is not responsible for Medicare Benefits. Please refer to the Medicare program handbook, *Medicare and You* or contact the Centers for Medicare and Medicaid Services (CMS), for information on your Medicare benefits. SECTION 1: SUBSCRIBER COST SHARING (WHAT YOU PAY)

Subscribers are required to share the cost of the benefits provided under the Plan. The following is a summary of the cost sharing amounts under your plan.

A Copayment is a dollar amount that is payable by the Subscriber for certain Covered Services. The Copayment is due at the time services are rendered or when billed by the Provider. Your identification card contains the Copayment amounts that apply to the Plan's most frequently used services. Please see the tables below for a detailed list of the Copayments that apply to your Employer Group's Plan.

*The Plan pays up to the Payment Maximum. You pay any charges above the Payment Maximum, plus any Subscriber cost sharing amounts that apply under your Plan.

SECTION 2: PREVENTIVE CARE SERVICES

Medicare covers a number of preventive care services at no cost to Members. The Plan will pay the Medicare Coinsurance and Deductible amounts for Medicare covered preventive care services, if any.

Medicare coverage includes a one-time “Welcome to Medicare” physical examination received within the first 12 months a beneficiary is covered by Medicare Part B. HPHC recommends that Subscribers utilize this benefit if available. After being enrolled in Medicare Part B for one year, Medicare also covers a yearly physical exam, known as a “Wellness” visit. The first yearly physical exam must take place at least 12 months after the “Welcome to Medicare” physical examination, if a beneficiary has had one.

When specific Medicare coverage criteria are met, Medicare also provides coverage for preventive services including, but not limited to: (1) Pap tests, pelvic and breast exams; (2) Mammograms; (3) Prostate cancer screenings; (4) Diabetes screenings and (5) bone mass measurements; (6) glaucoma testing; (7) medical nutrition therapy; (8) counseling to stop smoking; (9) colorectal cancer screening, including fecal occult blood tests, flexible sigmoidoscopy, colonoscopy and barium enema examinations; and (10) immunizations for flu, pneumonia and hepatitis B. Coverage for mammograms includes a baseline mammogram for women between ages 35 and 39 and an annual mammogram for women 40 years of age and older.

Please refer to Section III. D.2. of your Handbook for detailed information on additional preventive care services covered by the Plan. Please consult with your doctor and refer to the Medicare publication, *Medicare and You*, for additional information on preventive care services that may benefit you.
