### About Campus Child Care

These early-education programs comprise Campus Child Care, Inc. (CCC), an independent nonprofit organization founded in 2017 through the union of six child care centers that have been serving the Harvard University community for over 50 years. CCC exists to provide the very highest quality early care and education to children and to support their families, at Harvard and in the host communities.

Standards of Quality	Educational Approach	Schedules and Calendars	Parent Participation
All of the programs have low teacher-to-child ratios, and invest above all in the adults who care for children as the most important element of high- quality care. All centers are actively engaged with the NAEYC and/or Massachusetts QRIS process.	Each of the programs provides childcare based in the knowledge that strong relationships among children, caregivers, and families are crucial to success. Child-centered, play-based and developmentally focused, CCC programs look toward a variety of educational philosophies to guide their work.	The centers are typically open from 8am to 6pm. Due to the COVID-19 crisis, CCC will start academic year 2020-2021 with an abbreviated day at all six centers: seven hours of care will be offered instead of the typical 10. Available hours of care will increase as the public health landscape permits.	Each of the centers was founded by and for parents. Today, every one of these programs welcomes and encourages parent participation. During the COVID crisis, parent participation is limited to out-of-center activities.

<p><b>2020-2021 Tuitions</b></p> <p>Tuitions are for 12-month annual contracts based on an academic year and are charged monthly, beginning in August.</p> <p>Due to the COVID-19 crisis, CCC will start academic year 2020-2021 with an abbreviated day at all six centers: seven hours of care will be offered instead of the typical 10.
