<sup>1</sup> Portfolio Advisor is a managed account program that offers various portfolio strategies designed to address client risk tolerance, investment objectives and goals, and investment preferences. It offers a high level of service, with the advantages of a custom-built portfolio strategy and professional money managers that exercise rigorous due diligence to help ensure that the portfolio stays aligned with their investment goals. This program is designed primarily for taxable and individual retirement accounts outside of your Harvard Retirement Plan accounts. There is a fee for this product and a qualifying minimum account balance.

<sup>2</sup> Private Asset Management features expanded investment management services, including a dedicated portfolio manager with a wealth team to develop personalized investment solutions, including a selection of specific individual securities customized to address unique circumstances and needs. Typically for a taxable account or individual retirement account outside of your Harvard Retirement Plan accounts. There is a fee for this service and a qualifying minimum account balance.

<sup>3</sup> Personal Trust Services include tax, trust, investment and other services to individuals, families and nonprofit organizations. Our services to families and individuals include Revocable Living Trusts, Irrevocable Trusts, Testamentary Trusts, Family, Bypass and Credit Shelter Trusts, Charitable Trusts and Family Foundations. There is a fee for this service and a qualifying minimum account balance.
