Use this document to assist in your benefits enrollment. Newly-eligible employees please refer to your
Benefits Enrollment Guide for detailed information about your benefit options. Those experiencing a life
event (such as marriage, birth/adoption of a child, adding a dependent due to loss of coverage, etc.), please
refer to your Life Event packet for information. If you require additional assistance, please contact the
Benefits office at 617-496-4001 or benefits@harvard.edu.

Important Enrollment Reminders

Meet the 30-day deadline. As a new employee, you have 30 days from your date of hire to make your benefit
elections. If you experience a life event, you have 30 days from the event date to make eligible changes.

Submit your benefits. By clicking Done on each applicable benefit, you can save your elections and return
to make changes within the 30-day window. However, your elections won’t be processed until you click
Submit Enrollment on the main landing page and then click on View or Done in the pop-up window. If you
save your elections but don’t submit them, your elections won’t be processed.

Enroll dependents in medical, dental, vision care, or life. You must provide certified documentation
to enroll your dependents in the medical, dental, vision, or life insurance plans. If your documentation isn’t
received by Benefits within the 30-day window, your dependents will be removed from the plans retroactive to
your hire date/first date of eligibility or the date of your life event.

Remember: Submitted benefits are final. Once you’ve submitted your elections, they can’t be changed until
the next Open Enrollment period unless you experience a qualifying change in your family or employee status.

Obtaining login credentials

Before you can enroll in your benefits, you’ll need your Harvard University ID (HUID) and HarvardKey, the
University’s unified login credential for online applications and services.

If you have not yet claimed your HarvardKey, visit key.harvard.edu and follow the prompts under Claim
your HarvardKey. You’ll need to supply your HUID, last name, and date of birth. If you need help claiming your
HarvardKey, please contact the Harvard University Information Technology support desk at 617-495-7777 or
ithelp@harvard.edu. New employees please note: You will not be able to log onto PeopleSoft until your actual hire date.
ACCESSING PEOPLESOFT

1. Visit the Harvard Human Resources (HARVie) website at hr.harvard.edu and click on PEOPLESOFT at the top of the page.

2. You will be redirected to the HarvardKey login screen. Simply enter your credentials, and then click Login or press the Enter key. Note that using the Duo two-step authorization is required for login.

3. This will bring up the PeopleSoft home page. From there, click the My Self Service tile.

1. Make your elections.

The main Benefits Enrollment page displays all of your benefit enrollment elections. The default will be your current benefit elections. If you are newly eligible and have not yet made any selections, the default will be “No Coverage / Waive” and the total cost will be $0.00.

If you previously made elections but did not yet submit your benefits, these elections, along with their associated costs, will display as shown. To make or change your election, simply click the tile of benefit you are electing.

If you’re receiving an automatic benefit (at no cost to you), you’ll see the details, but you won’t be able to make any changes.

6. This is the initial Benefits Enrollment page. Review the displayed information, and then click the Start button at your event status to begin making your elections.

SELECTING YOUR BENEFITS
2. Review benefit details.

Your default coverage is set to your current benefit elections (or to "waive" if you are new), so be sure to make an active election if you'd like medical coverage.

As shown in this example, you can click on any benefit type—in this case, medical—to review details and make your benefit election. Each election type includes pay-period costs for each coverage level based on the dependents covered.

To make your selection, click the select button next to the plan name. To learn more about a specific plan, click on the plan name in the Resources section on the right of the screen.

Click Done to save your selection. Click Cancel to return to the main Benefits Enrollment page without saving.
