

VISION PLAN

Harvard's vision care benefit provides coverage for vision exams and products at reduced and/or discounted rates through Davis Vision and its nationwide network of providers. To locate a provider or see if your preferred provider is included in the network, call the Davis Vision customer service call center at 800-448-8245 or visit the member website at davisvision.com and enter Client Code 2556.

Harvard's medical plans also offer some vision care coverage and discounts. This overview can help you compare your options.
