

Why choose BOSTON NANNY CENTRE?

experience and success

With over 30 years of successfully placing nannies and over 50 combined years of placement experience, we have an upstanding reputation you can trust.

Boston's most elite candidates

We accept less than 15% of applicants into our candidate pool and represent only Boston's finest, most qualified household staff.

extensive recruitment avenues

Coupled with dedicated recruitment efforts for every position, we boast far-reaching and extensive connections to stellar candidates who meet your family's needs.

professional guidance

Our dedicated team of experts will gracefully guide you through the entire placement process from application to post-hire, providing extensive support while working hand in hand with your family to find your perfect match.

save yourself time

Vetting candidates as conscientiously and diligently as we do takes time. Our team takes the time to review your position with each of our candidates so you'll only meet nannies who are genuinely interested in working for and with your family.

thorough background checks

Each candidate we represent undergoes a rigorous background check at the time of hire, including a comprehensive criminal history, social security number verification and trace, state/federal criminal history, sex offender registry clearance, and driving record (if applicable).

discounts for Harvard affiliates!

Here at BNC, we pride ourselves on our flexibility. With our different placement package options, we can help you choose which discount option works best for your family.
