Children's Health Insurance Program (CHIP)

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHIP

As part of our responsibility as your employer, we are required by federal law to provide you with this notice about premium assistance opportunities under Medicaid and the Children's Health Insurance Program (CHIP).

This notice explains that, in certain states, Medicaid and CHIP may help eligible employees or their dependents pay for health coverage offered through our plan. If you or your children are eligible for Medicaid or CHIP and you qualify for premium assistance, you may be able to have part of your health plan premiums paid on your behalf.

Please review the this notice carefully. It includes:

- A list of states that currently offer premium assistance,
- Contact information for each state program, and
- Instructions on how to apply if you think you or your dependents may qualify.

This information is provided to ensure you are aware of all options that may help make your health coverage more affordable. If you have questions about the notice or your eligibility, you should contact your state's Medicaid or CHIP office directly using the information on the following pages.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit **www.healthcare.gov**.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at **www.askebsa.dol.gov** or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2026. Contact your State for more information on eligibility –
