

# Wellthy Eldercare Support

Whether it's to care for your parents, in-laws or other aging loved ones, Wellthy is here to help. We consider all of the variables of care including medical, financial, in-home, housing, legal, and social-emotional needs.

Create an account to get hands-on support from our team of care experts, or simply start out by using the many tools within the online Care Dashboard that meet you wherever you are in your caregiving journey.

## WELLTHY CAN HELP WITH

### Aging

For families with aging members dealing with all kinds of life changes.

### Veteran Support

For our heroes and their families to get the care they deserve.

### Health Conditions

For those managing a tough diagnosis or chronic condition.

### Financial Support

For assistance with bills, insurance, benefits, and other programs.

### Social & Emotional

For helping aging loved ones overcome loneliness and manage holistic wellbeing.

### Medicare & Medicaid

For navigating complex healthcare systems and finding the right coverage
