Key Bullet Points to Describe Your Role

What is your current leadership or management challenge(s)?

Describe the leadership challenge (or challenges) for which you are seeking coaching, and what steps you have already taken toward addressing this (these) challenge(s)?

Entering into a coaching engagement requires a certain amount of additional energy and time than what you normally expend for your job. What strategies will you put in place to ensure you have the time, energy and support you need from others as you go through the program?
