About Campus Child Care
These early-education programs comprise Campus Child Care, Inc. (CCC), an independent nonprofit organization founded in 2017 through the union of six child care centers that have been serving the Harvard University community for over 50 years. CCC exists to provide the very highest quality early care and education to children and to support their families, at Harvard and in the community.

The centers are supported by a central office which focuses on financial planning, administrative logistics, human resources and – most importantly – program support. For questions, please contact CCC executive director Katy Donovan at execdirector@campus-cc.org.

Standards of Quality
All of the programs have low teacher-to-child ratios, and invest above all in the adults who care for children as the most important element of high-quality care.
All centers are actively engaged with the NAEYC accreditation and/or Massachusetts QRIS process.

Educational Approach
Each of the programs provides care and education based in the knowledge that strong relationships among children, caregivers, and families are crucial to success. Child-centered, play-based and developmentally focused, CCC programs look to a variety of educational philosophies to guide their work.

Schedules and Calendars
Regular hours are 8am to 6pm. Due to the COVID-19 crisis, CCC reserves the right to adjust hours as the public health and staffing landscape dictates. Annual calendars vary slightly from one center to another and are generally posted on individual websites.

Parent Participation
Each of the centers was founded by and for parents.
Today, every one of these programs welcomes and encourages parent participation. During the COVID crisis, parent participation may be limited to out-of-center activities.

2022-2023 Tuitions
Tuition are for 12-month annual contracts based on an academic year and are charged monthly, beginning in August. Depending on the center, diaper fees may apply. CCC reserves the right to adjust hours due to Covid and staffing conditions.
