About Campus Child Care

These early-education programs comprise Campus Child Care, Inc. (CCC), an independent nonprofit organization founded in 2017 through the union of six child care centers that have been serving the Harvard University community for over 50 years. CCC exists to provide the very highest quality early care and education to children and to support their families, at Harvard and in the community. Western Avenue Children's Center will be open in June 2023 to expand enrollment capacity on campus.

Standards of Quality All of the programs have low teacher-to-child ratios, and invest above all in the adults who care for children as the most important element of high-quality care. All centers are actively engaged with the NAEYC accreditation and/or Massachusetts QRIS process.	Educational Approach Each of the programs provides care and education based in the knowledge that strong relationships among children, caregivers, and families are crucial to success. Each of the programs welcomes and encourages parent participation. Child-centered, play-based and developmentally focused, CCC programs look to a variety of educational philosophies to guide their work.	Schedules and Calendars Regular hours are 8am to 6pm. Annual calendars vary slightly from one center to another and are generally posted on individual websites. Due to the COVID-19 crisis, CCC reserves the right to adjust hours as the public-health and staffing landscape dictates.

2023-2024 Tuitions Tuitions are for 12-month annual contracts based on an academic year and are charged monthly, beginning in August. Depending on the center, diaper fees may apply. CCC reserves the right to adjust hours due to Covid and staffing conditions.	How to Get to Know Campus Child Care The centers are part of a system, but no two are just alike and families should seek the program that is the best fit for their child. Please get to know the centers individually. <ul style="list-style-type: none"> • Visit Campus Child Care's website • Reach out to CCC for a conversation • Learn more about CCC's relationship with Harvard University • Understand the tier system used for enrollment • Watch for open houses, generally held in March and April
